

# WAIONGANA PARK

TARANAKI NATURISTS CLUB

**VISITORS PLEASE TAKE ONE**

## WELCOME TO TARANAKI NATURISTS CLUB

When you arrive at the club please enter your name and details in the visitors book. If no one is around please make yourself welcome and enjoy our pool or relax in the lounge. When someone arrives, make yourself known and one of our friendly members will give you a tour. We do have a number of permanent residents but on the odd occasions there may be no one on site.

The clubhouse, kitchen, bathroom and BBQ are for your use. If you use these facilities it is your responsibility to clean up afterwards. Please take your rubbish with you when you leave as our club follows a zero waste policy.

We have a cabin and 2 caravans available to rent. Please vacate by 11am unless prior arrangements made and leave tidy.

If you continue down the drive past clubhouse you will come to the Waiongana River. You can walk along the reserve track (this is a clothed area) to the sea and beach.

Please keep the gate code we give you confidential.

On behalf of the Club, Committee and Members we offer you a warm friendly welcome and a pleasant stay in our safe and secure clothes free environment.

For further information please familiarize yourselves with club rules attached or to be found in the foyer.

## ANIMALS ARE WELCOME

We welcome animals but unfortunately there are no pets allowed inside or around clubrooms, inside accommodations or swimming pool area, but the beach and river are great places to walk your dogs. All dogs must have a current vaccination certificate and be on a lead and under control at all times. You must clean up after your animals.
